

Dear Neighbor,

The Ronald McDonald House Charities of Eastern North Carolina provides a temporary home for families of seriously ill or injured children receiving treatment from area medical facilities. You can help support the families of the Ronald McDonald House Charities by joining your neighbors in purchasing luminary kits to light up the streets of our neighborhood in honor of the families who are unable to be at their own homes during the holiday season.

How You Can Help

- Purchase a luminary kit for \$15. A kit includes 10 candles, 10 white bags, and sand. The average yard requires 2 kits.
- Sponsor a luminary to be lit at the Ronald McDonald House in Greenville for \$10. This is a great option for those that won't be home for the holidays.
- In addition, you may donate to the Ronald McDonald House Charities by visiting us at [www.rmhcenc.org](http://www.rmhcenc.org) and clicking on the red donate button at the top.

Return the form below to your Luminary Neighborhood Captain by December 3rd.
